

FAST ACTION ON LOANS FOR SMALL BUSINESSES!

By BANKWEST

When you own and run your own business, you often find opportunities that need fast action. At BANKWEST, you have a bank and a banker who know you and your business and can turn those opportunities into action.

Our commercial lenders understand the challenges and opportunities that go with running a business. They offer you competitive rates and fees and the quick turn-around that only a home-town community bank can give. They work with you to customize your options, whether you need creative lending, business checking, or business savings.

Give them a call today at 763-477-5231 to learn about your options. They're friendly, they're creative, they're knowledgeable, and they're committed!
