

PREVIEW 2011 > 2012

Sicora Consulting, Inc.

A Message from Robert Sicora

I wanted to take a moment and get you updated on where things are for Sicora Consulting, Inc (SCI).

We have had numerous exciting opportunities throughout 2011. From those experiences, we are positioned to make even a greater impact in 2012 helping organizations maximize their human potential and receive the greatest return on their human capital investment. I welcome your call or email anytime with questions or inquiries about any of the items you read in this year-end summary.

F-22 Operations

An exciting leadership team session we were able to conduct this year was the project kickoff for the F-22 Operations center at Hickam AFB near Pearl Harbor, HI. The 10 person leadership team is charged with the construction of the 80,000 sq ft complex that will hold both the planes and the operations center. [Read More...](#)

Scholar Practitioner

2011 has been an exciting year in the classroom. Taking Organization Development courses as the University of St. Thomas in the doctorate of education program has been both challenging and enlightening. [Read More...](#)
