

BANKWEST—February 2009

How to Use Remote Deposit Capture to Enhance Your Cash-flow

Remote Deposit Capture has been called “The most important development the (U.S.) banking industry has seen in years” by the Federal Reserve and others. The commonly-viewed benefits of this service include convenience, better deposit availability and reduced transportation cost and risk.

Remote Deposit enables businesses to deposit checks electronically without leaving the office. You can avoid travel time to the bank; it’s the secure and efficient way to bank on your schedule!

And now is the perfect time to sign up! **If you refer to this article and sign up within 60 days, the \$125 set up fee will be waived.** Call your BANKWEST loan officer today at 763-477-5231 to receive this special offer and learn more about the program.

Remote Deposit benefits include:

Greater convenience – make deposits when you want, and as often as you want. You can scan your checks when it’s convenient for you, 24/7.

Improved availability of funds – because your deposits are being transmitted electronically, you’ll benefit from extended cut-off times for deposits. Submit your deposits before 6 pm, and they’ll be posted the same business day.

Easy set up/Special offer – a BANKWEST staff member will assist you during the set up process. The fee for this service is \$125, but will be waived if you sign up within the next 60 days!

Variety of scanners – purchase a scanner that fits your needs. Some scanners can hold up to 100 checks at a time, enabling you to complete the scanning quickly.

Outstanding security – transmissions are made via a secure, encrypted connection and access is only available with a user ID and password.

Thorough support – BANKWEST’s customer support is available to answer any questions or provide additional assistance.

Don’t put it off! Call your BANKWEST officer today at 763-477-5231 to take advantage of this special offer!
